Dear Sir,

We beg to inform you that His Grace The Duke of Leeds duly presented to the Parish of Fermane the site of the Fermane War Memorial on Tregonning Hill with a suitable approach thereto and, would if necessary have a Deed thereof prepared at the expense of the Council. We may say that as all easements &c are excepted in the Duke's Sales it seems that a Deed is a quite unnecessary expense.

We are  
Yours faithfully  
Wm. J. Cannon  
Chairman Parish Council  
Fermane War Memorial
